REGISTERED DESIGNS

This practical and elegant piece should be your next item in your collection! We spent countless hours to create the perfect balance of clean simplicity, creativity, innovation, and most importantly – practicality.

Cookware Handle and knob

Project number: 3748

Comfort was of great importance and our main aim was always in the back of our minds: a bakelite handle and knob with a smooth coating and material that keeps cooking as simple as it always should be.

Kitchen Tool Rest and Stand

Project number: 0196

Do you want to feel like the VIP participant of the finest kitchen exhibit? And what if we tell you, we'll make this happen in your very own kitchen?!

Yes, that's right, we are talking about all those boring kitchen gadgets that BerlingerHaus was able to design in a way that seeing them will be the highlight of your kitchen experience! For example, this stylish dynamic stand stores all of your essential kitchen tools in one convenient spot, while also keeping them perfectly mess-free, clean and antibacterial while cooking. And there is more: it is rotatable in 360° and has an anti-skid bottom!

WHO WE ARE

HOME IMPEX LTD.

The first step of our group of companies started by operating as a small family business in a small garage store expanded in 2007 into a Hungarian legal entity called Home Impex Ltd (existing until today as so) and in 2013 into our Hong Kong company called Global House Supply Ltd.

SALES BY CONTAINER VOLUME GROWTH

We are a fast – growing producer of kitchen household products. Our products include categories such as Cook & Bakeware, Kitchen Accessories, Kitchen Tools, Home Electronics and Kitchen Knives. Due to our investment in building up strong purchasing departments (in Europe and in Hong Kong), together with expanding net of agents and distributors in 88 countries, we have managed to grow year to year from 2007.

We have a total SKU of over 3.000 different products (32 different collections) which are manufactured in our factories according to very strict EU and FDA regulations (especially the German LFGB regulation) and as a member of Amfori/BSCI we are committed to apply all the codes of conducts in relationship with our factories in order to achieve a common international goal of improving the working environment in our factories.

As part of the confirmation of the quality of our products and services that we provide to our customers, we decided to implement a quality management system and we are now the holder of the ISO 9001:2015 certificate. This successful audit confirms that we have successfully met the demanding requirements of the certification audit of the quality management system according to the ISO 9001:2015 system standard.

On 16.07.2021 Home Impex group has decided to be committed to energy efficiency and renewable energy. As a result of this decision the main company Home Impex Ltd. has initiated a tender in order to switch its entire energy system latest until middle of 2024 into a renewable energy enough to supply the entire energy consumption of its 20.000 m² warehouse, 4.500 m² office and showroom all around the world.

Due to the recognition that we are part of our society, therefore in the last 4 years we have invested back in our society. We are proud of our contribution to society through participating in charity events conducted by non-profit organizations in Hungary and other countries to help people in need, recognizing that an investment in our society is actually investment in ourselves.
